Longmont Colorado Is Base Camp For Cruise The Rockies XVI

Cruise The Rockies, one of the longest running (and best), PT Cruiser events in the United States, is based on a very simple concept..... WE CRUISE !!!

This is not a car SHOW event, where we line up all of the cars in a parking lot in the sun and show off our cars, this is where we get together with a group of people with the same interest in cars and go cruising together through one of the most beautiful States in America. Colorado has so much to show and we love to show it off, so we invite lots of people each year in August to a different area and we go cruising in that area to show all of you why we say..... "If You Haven't Cruised Colorado, You Haven't Cruised. Since 2001, we have cruised over most of the Scenic Byways of Colorado, met lots of great people, and have had lots of fun with new and old friends. The very best part of this event is the people. Each year lots of people come back to the event and they all agree with us..... the car brought us together but its the people that we come back for. It's all about the people.

If you haven't been to one of our Cruise The Rockies events, please check out the pages on this site for additional information. Then download and fill out the registration form, mail it in, get your room reserved at the host hotel, and get ready to have a great time in Colorado with the rest of us.

Registration

Itinerary For Cruise The Rockies XVI

Cruise The Rockies is a PT Cruiser event where we share the beautiful State of Colorado with all of our Cruiser friends from around the World. What's different about this event is that it is NOT a car show. We don't sit in hot parking lots in our fold out chairs. What we DO do, is get together with some of the greatest people in the World and we cruise somewhere in this great State of Colorado. Each year, we find a different area of Colorado to show off and invite all of you to come enjoy it with us. For the last eleven years, we have cruised hundreds of miles in the Colorado Rockies including Trail Ridge Road, Independence Pass, Garden of the Gods and Pikes Peak, The San Juan Mountains, The Flat Top Wilderness Area, The Royal Gorge, Crested Butte, Lake City, and many other beautiful areas in Colorado. If you like sitting in a parking lot in the hot sun, showing off your Cruiser, this may not be the event you would like to come to but, if you truly love to cruise in your Cruiser, love to get together with some of the greatest people in the World, and you love to just have fun, then we suggest you click on the registration tab above and get ready for a event like no other. You will soon see why our event motto is..... If You Haven't Cruised Colorado, You Haven't Cruised

Itinerary for CTR XVI will be posted as soon as we plan all cruises, make sure all routes are safe, and get the local area ready for you to come visit. Check back for updates.
